Junior Course

This fun course is designed for 8-16 years olds. 7 year olds are also accepted if an older sibling is also taking a course. The emphasis is on spoken English and communication. Imaginative activities and group project work encourage real communication and rapid learning and there may be a visit to a local museum or park.

Adult Course

While their children are at school, parents and other adult family members have the option of taking a course at Frances King.

Trinity Spoken English Test

Children on a course of 2 weeks or more in the summer have the option to take a Trinity Spoken English Test, an internationally recognised examination conducted by an examiner from Trinity College, suitable for all levels.

Your Free Time

Families are free outside class times to enjoy the many local attractions and can take part in a special family activity programme. Activities take place 2 afternoons a week in spring, autumn and winter, 3 afternoons a week in summer for those studying in the morning, and 2 mornings a week for those studying in the afternoon. Entrance charges apply for some events. Excursions are available in the weekend but are not included in the price of the course.
